SUMMARY

A Computer Applications graduate with a Bachelor of Computer Applications (**BCA**) and a Diploma in Computer Applications (**DCA**) who is determined and meticulous. Have a solid base in database administration, web technologies, computer science, software development, and problem solving, supported by coursework and hands-on experience. demonstrates a strong commitment to continual learning and professional development, as well as a keen interest in cybersecurity and emerging technologies. Seeking admission to a postgraduate program abroad in order to improve technical skill, gain exposure to international academia, and develop a successful career in the technology industry.

EDUCATION

DIPLOMA IN COMPUTER APPLICATIONS DR C.V. RAMAN UNIVERSITY	2025 RAIPUR, CHATTISGARH
BACHELOR OF COMPUTER APPLICATIONS PT. RAVISHANKAR SHUKLA UNIVERSITY	2025 RAIPUR, CHATTISGARH
HIGHER SECONDARY / SENIOR SECONDARY (XII) MAHARSHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	2022 JALGAON, MAHARASHTRA
SECONDARY SCHOOL CERTIFICATE (X) MAHARSHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	2020 JALGAON, MAHARASHTRA

SKILLS

- Programming** – Python, JavaScript, TypeScript, Java, C/C++
- Cybersecurity** – Digital Forensics, Web Security, Network Security Fundamentals, Authentication & Authorization, RBAC
- WEB DEVELOPMENT** – React.js, Node.js, Express.js, HTML5, CSS3, REST APIs
- DATABASE** – PostgreSQL, MongoDB, MySQL, Prisma ORM
- Systems & Tools** – Linux, Windows, Git, GitHub, VS Code
- Deployment** – VPS, Linux Server Administration, DNS, Vercel, Render

PROJECTS

CyberProbe 

2026

CyberProbe is an enterprise-grade, defensive web security auditor, vulnerability scanner, and penetration testing suite built for cybersecurity engineers, devops teams, and ethical researchers. Unlike mock demonstration tools, **CyberProbe runs 100% real defensive security audits against live targets:**

- **Real Network TLS Handshakes:** Connects directly via raw TLS sockets on port 443 to inspect cipher negotiation, protocol versions, CA root chains, expiration dates, and SAN extensions.
- **Real HTTP Response Inspection:** Evaluates live target headers against modern security specifications (CSP, HSTS, X-Frame-Options, X-Content-Type-Options, Referrer-Policy, Permissions-Policy, CORS).
- **Live DNS & Host Reconnaissance:** Resolves real IPv4/IPv6 records, queries MX mail exchangers, and audits TXT records for SPF and DMARC enforcement.
- **Server-Sent Events (SSE) Live Terminal:** Streams real-time, color-coded scan telemetry ([INFO], [WARN], [CRIT], [PASS]) directly into a cyber-themed console.
- **Actionable "Inspect & Fix" Remediation:** Provides concrete, copy-paste server configuration snippets (Nginx, Apache, Node.js/Express, Cloudflare) for every discovered vulnerability.

- **Instant AJAX Operations:** Experience seamless data management. Deleting records (Customers, Products, Vendors) is instant with smooth fade-out animations and zero page reloads.
- **Premium Glassmorphic UI:** A state-of-the-art interface featuring vibrant gradients, dark mode support, and micro-animations for a "Wow" factor.
- **Inventory Management:** Track products, stock levels, and categories with real-time stock status indicators (Low Stock/Out of Stock).
- **CRM & Vendor Management:** Efficiently manage your customer base and supply chain with dedicated modules.
- **Professional Invoicing:** Generate clean, professional PDF-ready invoices instantly after every sale.
- **WhatsApp Integration:** Send invoices directly to customers via WhatsApp with a single click.
- **Advanced Dashboard:** A bird's-eye view of your business health with real-time statistics and revenue charts.

CERTIFICATES

Computer Forensics and Digital Forensics
Masterclass PRO+ 

- 38+ hours of training in digital evidence, chain of custody, disk imaging, memory, Windows/Linux and network forensics.
- Hands-on exposure to **FTK Imager, Guymager, DC3DD and Volatility**, with foundational knowledge of malware analysis and data recovery.

AWARDS

First Runner-Up – Hackathon (Team: ODE TO CODE) 2023
K D RUNGTA COLLEGE OF SCIENCE AND TECHNOLOGY
Achieved **2nd place** in a competitive hackathon, demonstrating **problem-solving, coding skills, and teamwork** in developing an innovative tech solution.

ACHIVEMENTS

Class Representative (CR) Class Representative (CR) for 2 years during BCA, actively managing student coordination and academic responsibilities.	Event Management Logistics & Hospitality for the 27th All India Forest Sports Meet 2024, Raipur, ensuring smooth event execution.
RECORDS International Book of Records, India & Asia Book of Records Holder, recognized for outstanding achievements.	HACKATHON Hackathon RUNNER UP (Team: ODE TO CODE), demonstrating strong coding and problemsolving skills.
